# General integration course (BAMF) - Morning course

Z&P
ZUKUNFT PLANEN.

**Duration:** about 9 month (20 lesson units per week) - with holidays
**Offer type:** Angebot zur Sprachförderung

**Next start date:** 24.11.2026
**Lesson times:** 8:00 - 11:15 a.m.

**Description:** What is an integration course? (BAMF) The integration course (BAMF) consists of a language course with 600 lesson units and an orientation course with 100 lesson units. Completion: The language course ends with final language test German Test for Immigrants (Deutsch für Zuwanderer), the orientation course ends with the test Living in Germany (Leben in Deutschland). If both tests are passed successfully, you will be awarded the Integration course certificate according to the specifications of the Federal Office for Migration and Refugees (BAMF).

**Contents:**

In the **language course (600 teaching units)** you will learn the vocabulary for all important areas of daily life and the world of work, such as shopping, using public transport, contact with authorities, looking for accommodation, leisure activities and everyday situations. You will learn how to write letters and e-mails in German, fill out forms, make phone calls or apply for a job.

In the **orientation course (100 teaching units)** you will get to know Germany and learn the most important things about the laws and politics, the culture and the recent history. You will receive information about your rights and obligations, but also about everyday life, traditions, regulations and freedoms. The values ??of the democratic system in Germany are an important topic of the course. It is about, for example, freedom of religion, tolerance and equality between different social groups.

With good previous knowledge of the German language, it is also possible to complete an **intensive course**, which only takes two thirds of the time **(400 teaching units language course, 30 teaching units orientation course)**. A good result must be achieved in the placement test. In addition, proof of a A high level of education and written and oral skills in at least one foreign language are required.

**Requirements:** Important documents for the registration for the integration course: Passport / identity card, certificate of eligibility (Berechtigungsschein) / admission to the integration course, proof of social need

**Location:** Z&P Schulung GmbH, Rabensteinplatz 1, 04103 Leipzig
